

ENRICHMENT CLASSES FOR 2023-24
All enrichment classes start at 1:00 PM to 2:00 PM

3's & Pre-K

TUESDAYS: STORYTIME ADVENTURES: 3's & Pre-K

“Storytime Adventures” creates an ideal environment for children to develop their pre-reading skills and cultivate an early love of literature. Through engaging with stories, children will expand their vocabulary, develop comprehension skills, and learn to express themselves more effectively. By exploring different types of literature, children are also able to develop their imagination and creativity.

WEDNESDAYS: LITTLE YOGIS: 3's & Pre-K

Breathe. Balance. Stretch. Repeat! Our little yogis will learn mindfulness, meditation, yoga poses and breathing exercises while building muscles, gaining flexibility, improving concentration, and having fun. Games, music, and stories will be incorporated into the beginning of each class with yoga mat practice and relaxation rounding out the session.

THURSDAYS: PLAY AT LIFE: 3's & Pre-K

“Play at Life” teaches pragmatic life skills in a carefully planned and fun way. Each week, exciting environments such as “Birthday Party Day”, “A Day at the Veterinarian’s Office”, “Gardening”, “Ice-Cream Shop”, “Hair Salon/Barbershop”, “Traffic Safety” and many more are set up for the children to enjoy. These experiences provide opportunities for children to learn practical life skills which help guide them towards independence, while building a solid foundation of self-reliance.

[Teacher – Alli Capek](#)

FRIDAYS: MATH WIZARDS: 3's & Pre-K

Math is awesome! The class introduces and reinforces math concepts of shapes, measurements, patterns, and numbers through games, projects, literature, art, and music. Math Wizards provides a rich environment with hands-on experiences so children can have fun with math and strengthen their mathematical foundation.

Pre-K Only

MONDAYS: SCIENCE: Pre-K

This popular class offers a wonderful introduction to scientific concepts and an exploration of technology in a guided, small group setting. Hands-on activities, experiments and discovery will entertain and educate the natural curiosity in your child.

[Teacher – Mike Gardiner](#)

MONDAYS & WEDNESDAYS: ZOO-PHONICS: Pre-K

Using a “whole-brain” approach for the best memory retention, your child will learn their letters, sounds and pre-reading skills. As children learn through doing, “Zoo-phonics” provides opportunities to learn in a joyful, innovative way. As this is a **twice weekly class**, the fee is \$1,760.
